

Scott Freesmeier

Audit Manager,
Local Government Compliance Audits Bureau
Division of Audits
California State Controller's Office

Mr. Freesmeier, the Property Tax Manager in the Local Government Compliance Bureau, is responsible for planning, organizing, and directing the work of audit staff performing audits of county's allocation and apportionment of property taxes.

Additional duties performed for the property tax program include Local Agency Formation Commission (LAFCO) Comprehensive Fiscal Analysis reviews; providing technical support to State Controller's Office (SCO), Division of Accounting and Reporting, Local Government Policy Section for property tax related issues; and presenting to the State Association of County Auditors Property Tax Manager Sub-committee on audit related issues.

Mr. Freesmeier earned a Bachelor of Science in Business Administration with a concentration in Accounting from California State University, Long Beach. He has worked for the SCO for over 16 years, and over 10 years in the property tax program. In addition, he has worked on or managed numerous local government related special projects and the redevelopment agency asset transfer reviews for the SCO.
